

PREPARE:

Person Empowered Asthma Relief Study

DO YOU KNOW SOMEONE LIVING WITH ASTHMA?

STUDY GOALS:

THIS STUDY TESTS A DIFFERENT WAY TO TREAT ASTHMA SYMPTOMS using approved asthma medicine in a new way.

WHO CAN PARTICIPATE?

- African American/Black individuals between the ages of 18-75 diagnosed with asthma

-OR-

- Hispanic/Latino individuals between the ages of 18-75 diagnosed with asthma

WHAT DO I DO?

Only one in-person visit to see if you can participate in the study, and to complete several surveys. This visit will take 90-120 minutes.

- If you qualify and agree to participate in the study, **you will be paid \$50** for the in-person visit.
- You may be assigned to a study group that is asked to use approved asthma medicine in a new way.
- Once a month, for 15 months, complete a short survey about your asthma symptoms. **You will be paid \$20** for completing each survey.
