## Food Record

Please record anything you eat and drink for 2 Weekdays and 1 Weekend day. Choose typical days - not a sick day or a day you ate or did something out of the ordinary. Record types and amounts of food eaten. List all beverages, including water and alcoholic beverages. If unsure of the amounts, it is better to overestimate, as most people underestimate how much they eat. Be as SPECIFIC, ACCURATE and DESCRIPTIVE as possible. Complete this form to the best of your ability. An example is provided for you.

Hunger level: 5 = very hungry $1=$ not hungry at all
